Sheriff's Office Looking for Foster Parents

FOR IMMEDIATE RELEASE:

The Yolo County Sheriff's Office, Animal Services Section has a way to make sleepovers cuter while you save lives in your pajamas – foster kittens!

Were you wondering what your children will learn about this summer? Why not make it the summer they learned compassion, sharing, time management, responsibility and unconditional love.

Fostering young kittens for the Yolo County Animal Shelter is a great family project. Time commitment varies from 1-5 weeks per litter. Then they get adopted into new homes! Animal Services provides all supplies and vet care for our kittens while you are fostering. You supply love and enjoy the cuteness!

The Yolo County Sheriff's Office Animal Services Section lost their largest resource this year for underage kittens and is hoping our community will help their Animal Shelter save lives!

If you would like to learn more about our kitten foster program email YOLOfoster@yahoo.com. There will be a Free Orientation on Thursday June 19, 2014 from 6pm to 7:30. Parents should plan to attend the orientation without child. To sign up or get further information please email.
