Press Release

Subject: Yolo County Sheriff's Office Field Operations Division receives a Special Resolution Recognizing its commitment to the Below 100 Initiative.

Contact: Captain Dale Johnson, (530) 668-5256

Date: 9/16/2014

On September 9th, 2014, the Yolo County Board of Supervisors recognized the Sheriff's Office Field Operations Division for their commitment to the safety and security of Yolo County by participating in the Below 100 Initiative.

The Yolo County Sheriff's Office has joined with law-enforcement agencies nationwide to reduce on-duty deaths to the pre-1994 rate of fewer than 100 per year through the Below 100 Initiative.

The Sheriff's Office participation in Below 100 training has resulted in zero at-fault crashes, zero injured deputies, and significant reductions in unjustified speed activations since the program implementation in 2012.

Yolo County's Below 100 training is now considered a model for law-enforcement agencies nationwide. The success has been chronicled as a featured story in Law Officer Magazine and in The California Sheriff Magazine.

Sheriff Ed Prieto accepted the award on behalf of the Field Operations Division, commending staff for their efforts.
