Press Release

Subject: Yolo County Sheriff's Office joins Nextdoor

Contact: Sgt. Matthew Davis (530) 668-5280

Date: July 8, 2015

The Yolo County Sheriff's Office is excited to announce that it is partnering with Nextdoor (nextdoor.com), a private social network for neighborhoods to help build stronger and safer communities with the help of residents.

This integration with Nextdoor will enable the Yolo County Sheriff's Office to communicate online or through mobile devices with neighborhoods throughout Yolo County. Residents and the Sheriff's Office will be able to work together to increase safety and strengthen neighborhood watch efforts. Nextdoor has proven to be an essential and well-adopted tool, both locally in Yolo County as well as nationally, with one-in-three neighborhoods using Nextdoor across the country.

The Yolo County Sheriff's Office will be able to share helpful information with Nextdoor members, such as important crime alerts, emergency notifications, safety precautions and tips, details for events, crime alerts, and updates on activity affecting the local area.

With Nextdoor, Yolo County residents can create private neighborhood websites to share information, including neighborhood public safety issues, community events and activities, local services, or even lost pets.

Nextdoor is free for residents and the Yolo County Sheriff's Office. Each Yolo County neighborhood has its own private Nextdoor neighborhood website, accessible only to residents of that neighborhood. All members must verify that they live within the neighborhood before joining Nextdoor. Information shared on Nextdoor is password-protected and cannot be accessed by Google or other search engines. Please be assured that your website

“Service Without Limitations”

remains private. Sheriff's personnel will not be able to see any of the content on your neighborhood website, except for the direct replies to our posts.

Those interested in joining their neighborhood's Nextdoor website can visit nextdoor.com and enter their address. If residents have questions about their Nextdoor website, please visit help.nextdoor.com.
