

Unidentified Persons

Coroner case #15-00763 Found: 09/30/2015

A human mandible was recovered from the Sacramento River during dredging to remove silt at the Sacramento Yacht Club in West Sacramento. Anthropological examination determined the remains to be modern and amalgam fillings were present in two molars. DNA testing confirmed the deceased to be male.

If you have any information concerning the possible identity of the person described above please call the Yolo County Coroner's Office at 530-668-5292.
