

Unidentified Persons

Coroner case #22-00191 Found 02/17/2022

A human mandible was discovered by a fisherman at the Broderick Boat Ramp in West Sacramento. Anthropological analysis determined the remains to be modern. DNA analysis through the CA Department of Justice confirmed the remains to be male. DNA analysis through Othram determined ethnicity to be associated with Eastern India.

If you have any information concerning the possible identity of the person described above please call the Yolo County Coroner's Office at 530-668-5292.
